Pennsylvania	17891	Laimet Screw Chipper Model HP-21: Like new! Only 1 hour. Max. wood diam. 170 mm Feeding throat 210 x 315 mm Power source 90 kW tractor (min.) Quantity of chips up to 40 m ³ / hour with speed of rotation 540 rpm Weight of the machine 1100 kg PTO Rotation speed 540...1000 rpm Reliable basic chipper for agricultural and forestry use as well contract chipping. The heart of the chipper is the conical screw blade. The Laimet HP chippers uses a conical screw blade, which efficiently produces splinter free even quality chips. The rotating screw blade also functions as a feed unit so that a separate feed is unnecessary. The LAIMET is a tractor or diesel powered chipper of remarkably simple construction. It has few parts that wear. It is reliable in operation and needs little maintenance. The heavy fly-wheel evens out the load on the motor used.	\$11,900.00 <i>Reduced</i>
Pennsylvania	18035	58" Morbark Chip Pack. Many new parts. Currently operating.	\$25,000.00
